A. Declaration of Principle, Policies and Purpose

It is the intent and purpose of the Baltimore Teachers Union (“Union” or “BTU”) and the Baltimore City Board of School Commissioners (“the Board” or “Board”) to promote and improve the efficiency of the operations of the Baltimore City Public School System (“BCPSS”). In order to render the most efficient public service to the BCPSS, the BTU and the Board agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The Board recognizes BTU as the exclusive negotiating representative of all eligible employees in BCPSS for which BTU has been certified pursuant to the provisions of the Municipal Employee Relations Ordinance (Article 1, Sections 119-137, of the Baltimore City Code, 1983 Replacement Volume as amended); Senate Bill 795 as enacted by the 1997 General Assembly (hereinafter "SB 795"); the Maryland Educational Article, Section 6-501, et seq., and all positions identified in Unit III of the Board's Resolution dated June 8, 2010.

- B. If a tentative agreement submitted by the Union is rejected by the Paraprofessionals and School Related Personnel of the Baltimore City Public Schools, negotiations shall be reopened.

ARTICLE III

Checkoff and Union Rights

A. The Board agrees to deduct Union dues and service fees from the pay of any employee who authorizes such deductions in writing. Such authorization shall be continued from year to year unless revoked in writing between June 1 and June 30. The Board shall transmit all such monies withheld to the Union on a biweekly basis. The Board shall also provide to Union, with a quarterly computer payroll printout or electronic report, all necessary information relating to those employees paying dues and service fees.

B. The Union will be permitted to use the interdepartmental and electronic mail service for distribution of approved material to Paraprofessionals and School Related Personnel provided that these rights do not interfere with the operation of the school system. Approved materials are official publications of the Union appearing on the Union's letterhead. The Union shall have space on at least one existing bulletin board in each school and each work site. Said bulletin board space shall be located in the staff lounge in schools unless another site is mutually agreeable to both parties. The Board shall place a link to the Union's website on the home page of the School System's website.

C. On at least one (1) full school day's notice in writing to the Administrator of the School, and acknowledged by him, the authorized school representatives of the Union shall have the right to schedule Paraprofessional and School Related Personnel meetings in the building before or after regular duty hours or during the lunch time of the employees involved.

D. The Union Building Representative may request meetings with the Principal or supervisor, at times mutually acceptable, to discuss questions relating to this Agreement.

E. Each school is to provide bulletin board space for Paraprofessional and School Related Personnel use, provided that the allocation of such space does not interfere with or interrupt normal school operation.

F. Payroll deductions for dues will be continued whenever a Paraprofessional or School Related Personnel is transferred from one school to another unless that Paraprofessional or School Related Personnel requests discontinuance.

The Board agrees to deduct from the pay of each employee from whom it receives an authorization to do so, the monthly amount authorized by the employee for political action. A list of the employees from whom the deductions have been made and the amount deducted from each and a list of the employees who had authorized such deductions shall be forwarded to the Union no later than thirty (30) days after such deductions were made. The authorization form shall read as follows:

"I hereby authorize the Board of School Commissioners of Baltimore City to deduct from my salary the bi-weekly sum of \$_____ and to forward that amount to the Baltimore Teachers Union Political Committee. This authorization is signed freely and voluntarily and not out of any fear of reprisal and with the understanding that the Baltimore Teachers Union Political Committee is engaged in joint fundraising efforts with the AFL-CIO. This voluntary authorization may be

revoked at any time by notifying the Board of School Commissioners and Baltimore Teachers Union Political Committee in writing of the desire to do so."

K. Principals will be advised that Paraprofessional and School Related Personnel positions cannot be abolished if the purpose of abolishing the position is to hire similar employees on the temporary payroll. The Board will make every reasonable effort to minimize the number of situations in which duties currently performed by bargaining unit members are shifted to individuals employed by a school system contractor.

L. Transaction of Official Business

Duly authorized representatives of the Union shall be permitted to transact official Union business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. Upon their arrival, they shall apprise the principal or school staff assigned to the office of their identity and purpose.

M. Board Communications

The Board shall supply the Union with a copy of all circulars, press releases, all CEO's Memoranda and Bulletins relating to employees generally or to any substantial group of employees concerning the interpretation or application of the terms and conditions of this Agreement and/or relating to wages, hours, or conditions of employment. All task force reports submitted to the Board in public session, including the purpose and membership of said task force, shall also be supplied to the Union.

N. Employee Lists

1. No later than November 1 of any school year, the Board shall provide the Union with a list of all employees as defined in Article I.B which shall include their names, work email addresses and building assignments. Each month of the school year the Board shall provide the Union with a list of all changes such as resignations, promotions, and new appointments. When necessary, for BTU elections and voting notification purposes, the Board and BTU agree to provide home mailing addresses to a 3rd party mailing house for the purpose of forwarding the printed information that BTU intends to send to its members.

2. The list to be given to the Union under Section III.O.1. shall include the name, work e-mail address, class title of any employee as defined in Article 1.2 hired either: (i) in a list that is prepared for that purpose; or (ii) through a copy of the Entry Ticket prepared by BCPSS for the new employee. BCPSS shall have no obligation to give the Union any information other than that contained on an Entry Ticket.

3. New Employee Access

a. Definition. "New employee processing" means the process by which newly hired bargaining unit employees, whether in person, online, or through other means, are advised of their employment status, rights, benefits, duties, responsibilities, and other employment matters. In any year in which the district holds a New Teacher or New Employee Institute of at least one day prior to the first day of school, "new employee processing" shall include the New Teacher or New Employee Institute.

b. The Board shall provide the Union with 10 days' notice in advance of a new employee processing. However, the Board may provide the Union with less than 10 days' notice if there is an urgent need critical to the Board's new employee processing that was not reasonably foreseeable.

c. Within 30 days of the date of hire, or by the first pay period of the month after the date of hire, of each new bargaining unit employee, the Board shall provide the Union with the employee's name, Employee Identification Number, date of hire, date of birth, position classification, pathway, interval, home and work site addresses, where the employee receives interoffice or United States mail, home, work site, and personal cell phone numbers, and work email address. The Board shall provide the information in the preceding sentence regardless of whether the newly hired employee was previously employed by the Board.

d. The Union shall provide the Board with the email address to which the Board shall send the notices and information required above.

e. The Board shall provide the Union with the information described in paragraph c for each employee in the bargaining unit once every 120 days.

ARTICLE IV

Management Rights

The Board shall have all of the rights set forth in Senate Bill 795, as enacted by the 1997 General Assembly, which provisions are incorporated herein by reference and as set forth in the Education Article of the Annotated Code of Maryland.

ARTICLE V

Fair Practices

- A. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit for which the Union is the certified representative without discrimination as to age, sex, marital status, race, creed, color, disability, national origin, political affiliation, union activity, sexual orientation, religion, pregnancy, gender, gender identity or expression, or veteran status.
- B. The Board and the Union agree that they shall not interfere with employees in the exercise of the rights guaranteed under the Maryland Education Article.

ARTICLE VI

School Calendar and Hours

- A. Paraprofessionals covered under this Agreement shall work the same school calendar as teachers.
- B. All paraprofessionals assigned to instruction shall work the same hours as teachers with the school day being seven (7) hours and five (5) minutes.

Prior to the submission of the Title I proposal to the Maryland State Department of Education, the Board shall grant the Union an opportunity to review and discuss sections of the Title One proposal pertinent to the paraprofessional unit.

- C. Duty hours for employees covered under this Agreement shall be as assigned provided that:
 - 1. Bus Aides shall be regularly scheduled for seven (7) hours per work day.
 - 2. All employees who are regularly scheduled for four (4) or more hours per work day, as of October 15th of any school year, shall not be reduced to a schedule of less than four (4) hours per work day for the remainder of the school year.
 - 3. Paraprofessionals who are assigned to work locations in Central Offices and who work with students in school sites shall work the same hours as teachers. Any Paraprofessional assigned an eight (8) hour day shall be paid accordingly to a pay scale which shall be 17% above of the rates set forth in the Addenda of this Agreement. Paraprofessionals who work or train more than forty (40) hours in any week shall be paid one and one-half their hourly rate for those hours over forty (40).
 - 4. All other non-exempt employees covered by this Agreement shall be assigned hours as follows:
 - a. All regular classified employees who are not assigned to a school and who do not work a 10 month duty year, as well as all shift employees shall work a regular workday of eight (8) consecutive hours including a forty (40) minute unpaid lunch (within each twenty-four (24) hour period) totaling forty (40) hours per week, to begin at such times designated by each department as regular workdays and regular shift workdays. A workweek shall be defined as the seven day period commencing at 12:01 a.m. on Saturday through 12:00 midnight on Friday. A work shift shall consist of eight (8) consecutive hours including a forty (40) minute minimum lunch period.
 - (i) The parties recognize that there is a continuing concern regarding the issue of a paid lunch for certain bargaining unit members who were transferred into the unit as a result of the Board Resolution of June 8, 2010. The parties agree that this issue shall be a priority in negotiations for a successor agreement.
 - b. Shift and other employees shall not be required to work more than sixteen (16) consecutive hours without an eight (8) hour break, except in case of an emergency

endangering life, health or safety. If an employee is required to work for more than sixteen (16) consecutive hours under such an emergency situation, that period shall not exceed twenty-four (24) consecutive hours. Employees shall not be regularly required to work more than sixteen (16) consecutive hours.

c. Work schedules showing the employee's shifts, workdays, and hours shall be posted on each department bulletin board at all times and at all locations within the department where shift work takes place.

d. Lunch Periods

1. All employees shall be granted a duty-free lunch period during each work shift. Whenever possible, the lunch period shall be scheduled at the middle of each shift.
2. In those work sites in which the BCPSS has heretofore provided lunch facilities, BCPSS will either provide adequate facilities or stagger lunch breaks where necessary to insure each employee, other than a Paraprofessional, with a full forty (40) minute lunch period. Employees shall be allowed to leave the work premises during duty-free lunch periods.
3. If an employee's unpaid, duty-free lunch is interrupted because of operations and the employee is not given time during his shift to finish lunch, the uncompleted portion of the lunch period shall be paid at the appropriate overtime rate.
4. No member of the bargaining unit shall be required to serve lunch duty if prohibited from doing so by federal or state law. If a one-on-one special education para-educator or assistant-special education paraprofessional is required to serve lunch duty on a day when the assigned student is in attendance, the one-on-one special education para-educator or assistant-special education paraprofessional shall not be required to serve more than one period of lunch duty on that work day. The Board will make every reasonable effort to reduce the frequency of occasions on which special education, one-on-one, pre-K, instructional paraprofessionals, community school site specialists, and student wholeness specialists are assigned lunch duties. The Board further agrees that it will advise all managers of such employees of this contractual provision.

e. Call Back--Employees called in to work outside of their regular shift shall receive overtime pay at the rate of time and one-half (1½) their regular pay to address emergency situations. For the purposes of this paragraph, an emergency shall be defined as an unforeseen serious situation or an occurrence that happens unexpectedly and demands immediate action.

5. Exempt employees (those who are salaried and not eligible for cash overtime) are not normally eligible for comp time and are expected to work hours as necessary to perform the duties and responsibilities of their positions without additional compensation. However, in rare and occasional situations where extraordinary hours are to be required to complete an important project or activity, the responsible supervisor may authorize an exempt employee to receive comp time for that specific project or activity. Authorization to receive comp time is to be approved in writing and signed by the supervisor and the employee in advance of the project or activity. Comp time is to be limited to special projects and shall not be authorized for an employee on a regular basis, or for the incidental extension of the normal workday. Exempt employees may accrue an hour of comp time for each hour worked over 40 hours in a work week for the extraordinary special project or activity. An exempt employee may accrue a maximum of 400 hours of comp time. Cash payment of accrued comp time is not permitted for exempt employees. All exempt employee comp time balances are to be forfeited upon termination of employment.
6. Emergency Closing of Schools. School secretaries and office assistants who are designated as essential employees in Board policy and regulations may take liberal leave using accrued vacation leave, which shall not be denied, when all schools are closed for weather or other emergencies. Absence for this purpose shall not be counted as an occasion under the Board's attendance program nor will the absence be considered in the employee's annual evaluation. Community School Site Specialists, Community School Specialists, and Student Wholeness Specialists need not report to work when all schools are closed for weather and other emergencies.
7. Collaborative planning between PSRPs and teachers is often beneficial to ensure that each child receives a free appropriate public education. To this end, every effort shall be made to provide collaborative planning time for PSRPs and teachers.

ARTICLE VI-A

Overtime

This Article VI-A applies to non-exempt employees covered under this Agreement.

- A. All hours worked in excess of forty (40) hours scheduled within a work week shall be considered overtime and non-exempt employees shall be compensated at the rate of one and one-half (1½) times their normal straight time rate of pay. All paid leave shall be counted as hours worked in the computation of overtime.
- B. Compensatory time shall not be used as an alternative to overtime pay.
- C. Secretaries and office assistants shall not be required to work seven (7) consecutive days.

- D. Where, in the normal operation of a department of BCPSS, work is regularly scheduled on Saturdays and/or Sundays, ten (10) days of work shall be scheduled in each fourteen (14) day period.
- E. Overtime work shall be offered equally to employees working within the same job classification in each work area. The distribution of overtime shall be equalized over each six (6) month period beginning on the first day of the calendar month following the effective date of this Agreement or on the first day of any calendar month this Agreement becomes effective. Insofar as practical on each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his credit at that time. If the employee does not accept the assignment, then the employee with the next fewest number of overtime hours to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. A record of the overtime hours offered to each employee shall be posted on the department bulletin board.
- F. Overtime work shall be voluntary except in the event of an emergency situation where life, health or safety is endangered. There shall be no discrimination against any employee who declines to work overtime, except in the event of an emergency, but a record shall be kept for each employee, showing the number of hours of overtime he refused to work. For the purpose of this paragraph, an emergency shall be defined as an unforeseen serious situation or an occurrence that happens unexpectedly and demands immediate action.
- G. The Board shall not vary or rearrange work schedules to avoid the payment of overtime. Staggered schedules are permitted.
- H. The Board will make every effort to pay for overtime hours worked within two (2) pay periods following the pay period in which such overtime was worked.

ARTICLE VII

Grievance and Arbitration Procedures

Discharge, reduction in pay or position, or suspension for more than thirty (30) days, as provided for in Article XV, hereof, may be subject to the grievance procedure **as set forth in Article XV.**

- A. Subject to any limitations of existing law, any grievance defined as a dispute concerning the application or interpretation of the terms of this Agreement or a claimed violation, misinterpretation or misapplication of the rules or regulations of the Board affecting the terms and conditions of employment may be settled in the following manner:

Step 1- School or Office

An employee may appear on his own behalf or be represented by an individual designated by the Union. The grievance shall be discussed with the Principal or office administrator within ten (10) school days of the date of the grievance or the

knowledge of its occurrence. The Principal or office administrator shall attempt to adjust the matter within five (5) school days of the presentation of the grievance.

Step 2- Executive Director of Elementary/Middle or Secondary School

If the grievance has not been satisfactorily resolved in Step 1, a written appeal may be taken to the Executive Director of Elementary/Middle or Secondary School, as appropriate, or his designee on a form to be provided by the Board and approved by the Union within five (5) school days following the completion of Step 1. The appropriate Executive Director his designee shall meet with and discuss the grievance with the BTU President, or his designee, and the aggrieved employee within five (5) school days after written appeal. An answer to the grievance shall be submitted to the aggrieved employee and to the BTU President in writing on the said form within five (5) school days thereafter.

Step 3- Chief Executive Officer

If the grievance has not been satisfactorily resolved in Step 2, a written appeal may be filed on said form with the Chief Executive Officer or his designee within five (5) school days following the completion of Step 2. Within ten (10) school days of such appeal, the CEO or his designee shall meet with the BTU President, or his designee, the aggrieved employee, and such other parties whose presence may be required to discuss the grievance. The CEO or his designee shall respond in writing on the said form within ten (10) school days thereafter.

Step 4- The Baltimore City Board of School Commissioners ("The Board")

The decision of the foregoing step may be appealed in writing by the aggrieved employee to the Board for review within five (5) school days after the decision of the CEO or his designated representative has been received.

After receipt of the appeal, the Board may sit as a whole, or use a committee or a designee to hear the grievance within fifteen (15) school days following receipt of the appeal, and shall render its decision no later than ten (10) school days following said hearing. The CEO or his designated representative, the Union, and such other persons as are necessary shall be present and state their views. After conferring with the aggrieved employee, the Board shall communicate its decision in writing together with supporting reasons to the aggrieved employee, the Union, and to the lower level hearing officers within seven (7) school days as aforesaid.

At its option, the Board may choose not to hear the grievance and the Union may then pursue it to arbitration.

Step 5- Arbitration

In the event that a grievance as defined herein shall not have been resolved at Step 4 of the grievance procedure, the Union may refer such a dispute or difference to arbitration by mailing a written notice to submit to arbitration to the CEO within seven (7) school days following receipt of a written decision at Step 4.

If the Union and the CEO are unable to agree upon an Arbitrator within five (5) school days after the receipt of the aforesaid written notice, then either the Union or the CEO on behalf of the Board may request the Federal Mediation and Conciliation Service to furnish a panel of seven (7) Arbitrators from which to select one person to serve as Arbitrator. The names furnished by FMCS shall each be members of the National Academy of Arbitrators, FMCS Maryland Sub-regional or Metropolitan Area. An Arbitrator will be selected from the list by alternately striking names from the list; the last name remaining being the Arbitrator chosen.

The Arbitrator shall be without power to add to, subtract from, change, or alter any provision of the Agreement, Board policy, or of applicable State or local law. The Arbitrator shall hear and decide only one grievance in each case unless mutually agreed otherwise.

The decision of and award made by the Arbitrator shall be final and binding upon all parties to the grievance unless the same is contrary to law. The costs for the services of the Arbitrator including per diem expenses, if any, and actual and necessary travel and subsistence expenses will be borne equally by the Board and the Union.

B. Time Limits

Failure to submit a grievance within the specified time limits or to appeal a grievance to the next successive step or to arbitration within the specified time limits shall be deemed to be a waiver of the grievance and/or acceptance of the decision rendered at that step.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the Union to lodge an appeal at the next step of this procedure.

In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is mutually agreeable to the parties. To avoid any dispute as to the date of submission or receipt of a grievance appeal, decision, notice of hearing or notice to submit to arbitration, all notices of hearings and/or decisions shall be mailed by school officials by certified or registered mail, return receipt requested with the date of mailing or postmark and the date of receipt recorded thereon. As an option, such correspondence may be hand delivered but must be signed, timed, and dated by the receiver. By mutual agreement in writing, time limits may be extended.

C. General Provisions

Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. The Union shall have the right to initiate a grievance or appeal from the disposition of the grievance of an employee at any step of this procedure. However, only the Union may appeal a grievance to arbitration. Any grievance filed during the life of this Agreement shall be processed according to the terms of this Agreement.

If a grievance arises from the action of any authority higher than the Step 1 Administrator, such grievance may be initiated at the appropriate step of the grievance procedure.

ARTICLE VIII

Leaves

The provisions of this Article are applicable to all employees who are regularly scheduled to work a minimum of four (4) hours per day, five (5) days per week.

A. Bereavement Leave

In the case of the death of a parent, grandparent, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother, sister, husband, wife, child or grandchild (including those in this group who are step, half-blood or foster relations), or in the case of the death of a member of the immediate household of an employee, the employee shall be granted a leave of absence without loss of pay for a period not exceeding four (4) consecutive working days beginning with the date of death, except that no day during this period on which the employee has been on duty shall be counted in computing the length of the leave. Employees who require additional time off beyond these four (4) days may request and shall be granted additional reasonable time off charged to vacation or personal leave or compensatory time.

In the case of the death of a relative not mentioned in the paragraph above, the employee shall be granted a one (1) day leave of absence with no loss of pay to attend the funeral. Additional days for this purpose may be charged to personal business leave with no loss of pay if the employee so elects.

B. Maternity Disability and Maternity Leave

In accordance with the Federal Family and Medical Leave Act of 1993 (FMLA), Employees shall be provided with up to 12 weeks of unpaid leave for the birth and care of a newborn child of the Employee, or adoption or placement of a child with the Employee, within 12 months of the child's birth or placement. Employees covered under this agreement shall, at their request, be allowed to substitute their sick leave, vacation leave, or personal leave time for the 12-weeks unpaid leave provided for by the FMLA. If during this 12-week period, the Employee exhausts his/her compensated leave, the remainder of the Employee's leave within the 12-week period shall be unpaid. Maternity leave shall not extend beyond this 12-week period without application for, and granting of, extended leave by the Board.

Employees shall give their Supervisors no less than thirty (30) days' notice of their intention to take maternity leave of absence.

At the expiration of the 12-week leave period, Employees shall be reassigned to active duty. In the absence of an Employee's return to duty after this 12-week period, the Employee's reassignment to active duty shall be at the discretion of the Board and contingent upon the existence of a vacancy for which the employee is qualified.

Any disability or illnesses arising out of or connected to the Employee's maternity that requires an extension of leave beyond the 12-week FMLA period are subject to the disability and medical certification requirements of the FMLA, state laws and regulations, and Article VIII.F.

If an employee adopts an infant child, leave of absence may be granted, with full loss of pay, until one (1) year from the date of birth of the child. Upon application, this leave may be extended to, but in no case beyond, the beginning of the scholastic year (September 1) following the child's third (3rd) birthday.

An employee who has been on two (2) or more consecutive maternity leaves of absence which extend for a total period of more than five (5) years shall pass a test of basic skills before being reassigned to duty except as provided herein. If such employee is eligible and applies for reassignment before the expiration of a leave and if no suitable vacancy develops until after the expiration of the five (5) year period, her leave of absence shall be extended for a period not to exceed two (2) additional years without her being required to take the test of basic skills. The effect of this will be that such an employee may be absent for a period not to exceed seven (7) years before she is required to pass a test of basic skills to be eligible for reassignment. No benefits normally earned during the work year shall accrue to the employee while she is on maternity leave.

C. Matrimony Leave

Leaves of absence for the purpose of marriage shall be with loss of full pay and shall not exceed ten (10) working days. Said matrimony leave may be with pay at the option of the employee by using vacation leave, personal leave or compensatory time.

An employee may obtain a leave of absence with loss of full pay for a period not to exceed twenty-five (25) working days in any one school year to spend time with the spouse who is in military service outside the Baltimore area. Time for matrimony leave within the same school year shall be included in these twenty-five (25) days. Unless the employee returns to duty on or before the expiration date, resignation may be requested by the Board.

D. Military Leave

During the time of military leave, the employee shall receive full seniority credit for the time spent in the military and shall be placed in an equivalent position according to qualifications and experience. All employees who are members of the organized militia or of the Army, Navy, Air or Marine Reserve shall be entitled to leave of absence from their respective duties, without loss of pay, time or reduction in efficiency rating, on all days during which they shall be engaged in field or coast defense or other training ordered or authorized under any law in the United States, during such time as they are on annual inactive duty training, for a period not to exceed fifteen (15) working days in any calendar year; provided, however, if any member of the organized militia or of the Army, Navy, Air or Marine Reserve is ordered to active duty, he shall be entitled to a leave of absence without loss of pay, time or efficiency rating for such time while actually serving under such active duty orders, in addition to the fifteen (15) working day period specified above. Such employees shall receive 'gap' pay if necessary in order to ensure that the employee receives no less than BCPSS salary for the time she/he is on such duty.

E. Absence for Funeral of Fellow Bargaining Unit Member

Two members of the Paraprofessionals and School Related Personnel contingent in a school or worksite may be delegated to attend the funeral of a member of the Paraprofessional and School Related Personnel contingent as representing Paraprofessionals and School Related Personnel.

F. Sick Leave

1. Sick leave with pay shall be received by employees who have accrued sick leave and who are required to be absent from duty because of personal sickness or injury, either physical or mental, medical appointments, or pre- or post-natal disability.
2. Full-time employees shall, at the beginning of the school year, receive 13 sick leave days. There shall be no ceiling on accumulation of sick leave. Sick leave will not be granted where there is evidence of abuse of the sick leave principle through malingering or false application of such leave.
3. An employee requesting sick leave shall notify his Supervisor as early as possible on the first day of such absence.
4. A full-time employee, upon application in writing, may be granted a leave of absence, without pay, provided said leave is recommended by the employee's physician for reasons of personal illness or disability. Such leave shall not extend beyond one (1) year from the date said leave was granted.
5. Up to five (5) days of accumulated sick leave may be used by Employees in the case of illness in the immediate family as defined in Board Rules.
6. Employees who resign or terminate employment after June 1 of a given year shall be entitled to convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the then current sick leave year, at the time of said resignation and/or termination from BCPSS service.
7. Sick leave must be taken in units of at least forty-five (45) minutes.
8. Employees shall, at their request, be allowed to use sick leave for absence due to disability connected with or resulting from childbirth. The Board and the Union recognize that there is a presumption that this disability will occur in most cases for a period of four (4) weeks before and six (6) weeks after delivery. Upon termination of such disability, the employee must return to work unless she resigns or requests a leave of absence.
9. A full time employee shall have four (4) weeks for adoption beginning with the day the child is received. The absence shall be charged to accumulated sick leave. In the event that both parents are Board employees, they may divide the use of paid adoption leave between themselves or either one may use the full four (4) weeks. In order to receive this leave, an employee must complete a Request for Leave Form and attach documentation from the adoption agency.
10. Should a day designated herein as a holiday occur while an employee is absent on sick leave, such day shall be observed as a holiday and shall not be charged against sick leave.

11. Employees with at least two (2) years of service who are unable to return to work after all of their accrued sick leave, vacation leave, personal leave and compensatory time has been exhausted may request extended leave with pay. If the Department Head or supervisor deems such an extension advisable, he may recommend it to the Human Capital Officer or CEO. Such request must be accompanied by a medical certificate. The formula for sick leave extension will be based on the last two (2) full years, excluding current illness. No extension, however, may exceed the number of days allowed in the basic sick leave plan; one (1) day per month of completed service (or in the case of part-time permanent employees one (1) day for each one hundred sixty (160) hours worked). Upon return to work and after accumulating ten (10) sick leave days, an employee receiving this benefit shall reimburse the BCPSS for one-half ($\frac{1}{2}$) of the extended sick leave days granted. If a request is denied by the Department Head or supervisor, an appeal may be made to the Human Capital Officer and the CEO.
12. Whenever medical verification is required as a result of the present Board policy, said verification shall only state that the employee was absent for medical reasons and is now capable of returning to work.
13. Sick Leave Conversion
 - a. Sick Leave Year

The sick leave year begins on the day immediately following the last payroll period in November and extends through the last payroll period in November of the following year.
 - b. Eligibility for Conversion

All employees who work a minimum of four (4) hours per day, five (5) days per week are eligible for sick leave conversion at the end of each sick leave year, provided that they have a minimum of four (4) unused sick leave days which were accumulated during the preceding twelve (12) months.
 - c. Conversion Factor

For every four (4) days of sick leave accumulated during the year, an employee may convert one (1) day to cash, and retain the remaining three (3) days in his/her sick leave account.
 - d. Conversion Option

An employee may convert to cash all or none of the days to which he is entitled. Conversion of only some of the days to which an employee is entitled as well as conversion of partial days is not authorized.
 - e. Payment

Payment for sick leave conversion will be included in the employee's regular salary check, but will be listed as a separate payment. The payment will be issued

no later than December 24 each year, and will include the usual deductions for taxes and Social Security.

f. Upon Termination

- i. In addition to the above sick leave conversion, employees who are pensioned or who elect to terminate their BCPSS service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to convert one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from BCPSS service.
- ii. Accrued vacation and sick leave that is eligible for pay-out to employees who meet eligibility requirements for retirement per the sick leave conversion practice shall, at the option of the employee, be deposited, as of the time of retirement, into the employee's 403(b) account. If the total amount to be deposited causes the employee's 403(b) account to exceed the maximum allowable combined employee and the Board contribution limit for that calendar year, such excess amount shall be deferred and deposited into the employee's 403(b) account in the first payroll of the next payroll year. Employees shall be 100% vested in all contributions, and they shall have the ability to manage their own investment plan and portfolio. Federal and State income taxes shall be deferred until the amount deposited to the 403(b) account is withdrawn. Employees who do not elect this option shall be eligible for a cash payout, subject to normal tax and other employee related deductions.
- iii. Applicable to Employees Whose Positions Were in Unit II (Public School Administrators and Supervisors Association) on June 30, 2010:

Payment of a Fixed Sum at Termination

Employees who were employees as of July 1, 1980, are eligible for the following conversion: A cash payment equal to fifty percent (50%) of the amount of unused sick leave will be paid to an employee who leaves the system, provided that the employee has at least twenty (20) years of service to the Baltimore City Public School System. This payment shall be deemed a full liquidation of any and all sick leave earned by the said employee during the time of his/her employment.
- b. Employees who enter after July 1, 1980, and then leave the system after having completed at least twenty (20) years of service in the Baltimore City Public School System, shall be entitled to convert one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their separation from service.
- c. A non-retiring employee who leaves the system shall be eligible for a cash payment equal to 100% of the amount of his/her accrued vacation days,

not to exceed a maximum of eighty-six (86) vacation days. In computing the amount to be paid an employee, each period of ten (10) days shall be equivalent to a biweekly pay.

- d. In the event of an employee's death, said employee's beneficiaries shall receive any monies for accrued vacation, sick leave, etc., to which the employee was entitled at the time of death.

G. Sick Leave Bank

1. Employees shall be eligible to participate in the sick leave bank established for teachers in accordance with the program guidelines outlined in the Teacher's Agreement. One paraprofessional, one employee who had been in Unit II prior to July 1, 2010, one employee who had been in Unit IV prior to July 1, 2010, and one employee who had been unaffiliated prior to July 1, 2010 shall be added to the Sick Leave Bank Committee established in the Teacher Agreement. Effective July 1, 1980, membership in the bank was voluntary for all employees. Thereafter, all new employees who request membership will be assessed one day of sick leave for deposit in the bank. Employees who had been assessed one day of sick leave to participate in a sick leave bank for another bargaining unit shall have their sick leave day transferred to the sick leave bank established under this Agreement.
2. A member of the bargaining unit may participate in the bank only after:
 - a. Filing application with the Sick Leave Bank Committee;
 - b. Submitting satisfactory medical evidence of the illness;

3. Any employee who contributed one day to the Sick Leave Bank shall not be charged a sick leave day for the purpose of sick leave conversion. The day will be drawn from the prior year's accumulated sick leave, except in the event that the employee has no sick leave, in which case that day will be drawn from the current year.
4. New employees must join the Sick Leave Bank within the first thirty (30) days of their employment or lose their right to do so. Any employee covered by this Agreement may join the Sick Leave Bank within 30 days of the ratification of this Agreement or lose their right to do so.
5. Employees may relinquish their membership in the sick leave bank at any time; if they do so, however, they will lose both their contribution in the Sick Leave Bank and their right to rejoin the bank at a later date.
6. A member will lose the right to utilize the Sick Leave Bank if his employment with the Baltimore City Public School System is terminated.

7. All contributions will remain in force and cannot be returned even upon cancellation of a membership. In no case will the granting of leave from the bank cause a member to receive more than his or her annual salary.
8. All unused sick leave days in the bank at the end of a school year shall be carried over to the next school year.

H. Communicable Disease Absence

An employee who is isolated because of contact with a communicable disease which requires isolation under the City Health Code but who does not have the disease himself shall be paid full salary for such time as the City Health Commissioner declares the employee subject to isolation.

When an employee has contracted a communicable disease as defined above and including chicken pox, measles, tuberculosis, whooping cough (pertussis), meningitis, conjunctivitis, or hepatitis and there exist a number of cases of that disease among those students with whom the employee has had direct contact, as determined by the school system's Medical Officer, that employee shall suffer no loss of pay or accumulated sick leave time for any days that the employee is absent from the school. Prior to approval of this leave with pay, medical verification of the employee's illness shall be required.

The Board shall follow the policy guidelines for management of children with AIDS or other blood borne diseases and/or affected with the AIDS viruses. The Union shall be notified prior to any changes in these guidelines. Tests required by the Board to vaccinate or diagnose such diseases shall be paid for by the Board.

I. Religious Holidays

An employee may be absent, for up to two days, for the observance of traditional and customary religious holidays. Such holidays are to be interpreted as those days when members of the staff member's religious group, in the observance of their fundamental beliefs, engage in religious duties and do not carry on their regular professional or business activities. Religious holidays which occur on school holidays shall be without loss of pay. Religious leave may be charged to personal leave with no loss of pay if the employee so elects.

J. Birth of Child Absence

5. A request for personal leave either on the day before or after a holiday or on the two (2) days preceding the last day for students in June may be honored only upon satisfactory justification by the employee that said business cannot be rescheduled to a day other than those mentioned above. Recommendation for approval of the personal business leave mentioned in the above paragraph will be made by the school Principal to the Executive Director of Elementary/Middle or Secondary School, as appropriate, or to the immediate supervisor if not assigned to a school.
6. All employees who have accumulated personal leave from their service in a different BCPSS bargaining unit shall be paid for unused personal leave within 30 days of the execution of this Agreement.

L. Accidental Injury

1. Employees who sustain injuries occurring in connection with their assigned duties and not as a result of their own negligence shall be eligible for leave of absence without loss of pay up to a maximum of one year from the date of the job-related injury. The leave is subject to the approval of the Board's MRO or designee. The employee shall submit to re-examination by the Board's MRO or designee periodically as required, but at least every three (3) months. In any case where the injury requires an extended leave of absence the Board may request that the employee be considered for retirement because of accidental disability.

No employee shall be entitled to receive Workers' Compensation benefits for temporary total disability during the time, or covering the period, that said employee is receiving his or her full salary for job injury leave as outlined above.

2. Absence due to disability resulting from an assault will be covered by an assault leave. This leave will not be charged to sick leave. The employee will be in full pay status for the duration of the disability.
3. There will be a Joint Union/BCPSS Oversight Committee established to review all employees rejected or released on the basis of decisions made by the Board's MRO or designee.

4. The Union and the Board's MRO or designee shall meet quarterly or more frequently as needs dictate to review and discuss problems of unit members who must report to the clinic because of job-related injuries.

M. Civil Leave

Employees who are required to perform jury service in any Court (city, federal, county) or who are required by subpoena to appear in court shall be paid their regular salary. Employees shall notify their appropriate administrator or supervisor at the time they first receive notice that they may be called to serve as jurors or subpoenaed, and provide their administrator or supervisor with a copy of the summons or subpoena.

N. Paid Leaves of Absence

Administrative leave with pay shall be granted to all officers, stewards, and members for BTU Conferences in the amount of one hundred seventy-five (175) staff-days each year, with a maximum of fifteen (15) days for any elected officer and five (5) days for any other employee. Conferences or meetings sponsored by the BCPSS in which the Union is asked to participate shall not be charged for this leave.

3. Any employee elected as an officer of the Union or who is appointed to the Union's staff shall, under proper application, be given leave of absence without pay. Any employee who is elected as an officer of the Union shall, upon proper application, be given a leave of absence with pay for the term of his/her office subject to the Union's prompt reimbursement on a monthly basis for all costs incurred by the Board for the Union officer's complete pay and benefits as they currently exist and as such pay and benefits may be modified during the course of the Union officer's term of office. The Board agrees to recommend to the appropriate retirement system that time spent on leave be granted as service credit for retirement and that the employee be permitted to pay regular monthly contributions. Upon their return to service, they shall be placed in an assignment comparable to that which they left. The employee shall be granted salary credit and seniority for up to six (6) years spent on leave working for the Union. Such leave shall not be granted for more than seven (7) persons in any one (1) year.

P. Educational Leave

1. Any employee who is engaged in an educational program and who may need a leave of absence for student teaching shall be granted such leave with pay, and shall be assured of reassignment to his former position or one comparable at the end of such leave. Employees on educational leave for the purpose of student teaching or matriculating in an institution of higher education shall have health care benefits continued by the Board.
2. During the term of this Agreement any employee who has served the BCPSS for a period of two (2) consecutive years or more and with 90 or more college credits in an educational or critical area approved by the Board who may need a leave of absence for student teaching or other reasons to complete requirements for graduation, shall be granted such leave for two (2) consecutive semesters with pay within a period of five (5) consecutive years.
3. An educational leave for employees shall be granted only to those persons who have been on active duty during the year immediately preceding the educational leave year and are working at the time the leave is to be effective. Time spent on educational leave shall count towards eligibility for further movement on the salary scale, but shall not count as active service for the purposes of determining eligibility for a subsequent educational leave.
4. Employees accepted in this program will be required to sign an employment agreement requiring them to remain an employee of the Baltimore City Public School System for three (3) years upon completion of the requirements of the program or completion of such leave.
5. Upon return from leave, the employee shall be assigned to the same or comparable position he/she occupied prior to the leave.

The policy and procedures of this special program will be developed by the Department of Human Capital. Applications for this program will be available in the Department of Human Capital.
7. The sum of individuals on educational leave in any one (1) year is not to exceed three percent (3%) of the unit. This maximum quota of three percent (3%) shall be distributed throughout the system so as to prevent any undue hardship from any one (1) school, single department within a school, or from any single division of the school system.
8. Except as provided herein, Paraprofessionals and School Related Personnel on educational leave must follow the provisions set forth in Article 13.C. for tuition reimbursement.
9. Employees who are not working in the classroom, upon request and upon the approval of the CEO and the Office of Human Capital, shall be granted a leave of absence without pay for education purposes. The period of the leave of absence shall not

exceed nine (9) months, but may be extended or renewed upon the request of the employee and with the concurrence of the CEO and the Office of Human Capital. Leaves of absence for educational purposes shall not be granted more than once every three (3) years. The Board and BTU agree to cooperate in the development of job training, upgrading, apprenticeship and career ladder programs.

Q. Parental Leave

Employees shall at their request be granted a leave of absence without pay for child-bearing and/or child-rearing for such period of time as they specify but not to exceed one (1) year. Upon application, said leave may be extended up to, but not beyond, the beginning of the school year (September 1) following the child's third birthday.

Application for such leave shall be made as soon as possible but normally at least ninety (90) days prior to the effective date.

Employees adopting an infant shall, at their request, receive the same leave without pay as set forth in the first paragraph above, which shall commence upon the employee's receiving de facto custody of said infant or earlier if necessary, to fulfill the requirements for the adoption. Application for adoption leave shall be made as soon as possible.

For an employee whose total leave of absence without pay is twelve (12) calendar weeks or less, the employee shall be entitled to return to his former position. If the former position is abolished or frozen, the employee will be reinstated to another position in the same class or comparable class through the transfer process provided the employee qualifies for the position. Nothing in this paragraph shall be construed to diminish the rights of employees pursuant to the federal and state Family and Medical Leave Acts. For an employee whose total leave of absence without pay is more than twelve (12) weeks but less than one (1) year, the employee shall be entitled to return to work if their position has not been abolished, frozen or filled, or, if the position has been abolished or frozen or filled, placed on the re-employment list and shall be given preference for rehire over any other candidate for his/her former position or comparable position for which the employee is qualified.

Upon expiration of leave greater than one (1) year, an employee's reassignment to active duty shall be contingent upon the existence of a vacancy for which the employee is qualified. Exceptions to the foregoing may be made in the case of an employee whose parental leave begins during a given semester, as follows:

If parental leave begins prior to October 1 or March 1 of a given semester, the employee shall be returned to the previous position only at the beginning of the following semester.

If the parental leave begins on or after October 1 or March 1 of a given semester, the employee shall be returned to his previous position at the beginning of the following semester or of the next following semester.

The above two exceptions shall apply provided that the employee notifies the Human Capital Officer of his intention at least twenty (20) calendar days prior to the start of the semester of his planned return.

R. Other Leaves of Absence Without Pay

1. Employees shall be granted leaves of absence without pay upon recommendation by the CEO and approval of the Board according to the policies and procedures of the Rules of the Board.

An employee on a leave of absence without pay for more than thirty (30) calendar days shall not lose any accrued leave or seniority but shall not continue to accrue any leave or seniority while on such leave of absence.
4. In the event a leave of absence without pay exceeds thirty (30) calendar days, the employee's seniority and increment dates will be delayed one (1) day for each day of leave of absence, except for any employee who is on leave of absence without pay for military service.

S. Family Leave

Employees may request, if applicable, any combination of vacation, personal leave, compensatory leave or approved unpaid leave to be used for the birth or adoption of a child or for the care of immediate family members (children, including biological, adopted, foster, stepchild, or legal ward, spouse, parent who permanently reside in the household), in accordance with BCPSS rules and regulations, and as set forth in the Family and Medical Leave Act, Maryland law, the BCPSS Leave Policies, and this Agreement.

- T. For employees covered by this Agreement who were employed by the City of Baltimore and the BCPSS prior to the Board assuming management authority of BCPSS on July 1, 1997, personal, vacation and sick leave accumulated prior to July 1, 1997, shall be retained pursuant to SB 795 (1997), Section 17.

 - a. Employees who have served satisfactorily for a period of ten (10) or more consecutive years in the Baltimore City Public Schools may be granted sabbatical leaves of absence.
 - b. Sabbatical Leave may be granted for the purpose of study or travel, or for such other purposes as may be recommended by the CEO and approved by the Board. Employees on Sabbatical Leave may not enter into gainful employment except upon the recommendation of the CEO and with the approval of the Board.
 - c. During the period of Sabbatical Leave, each employee shall receive fifty percent (50%) of his salary.

- d. During the period of Sabbatical Leave, each employee shall be considered as in the regular service of the Board, and shall be treated with respect to pension privileges and contributions, sick leave allowance and accumulation, salary increments, and vacation leave, if any, exactly as if he/she were on active duty.
 - e. During the period of Sabbatical Leave, employees shall be entitled to all of the privileges and opportunities which they would enjoy if they were on active duty. They shall be considered for assignment on the same basis as if they were on active duty. Upon their return from leave, they shall have the same right of returning to the position they occupied prior to their leave which they would enjoy had they remained on active duty. They shall not be transferred from this position unless they would have been transferred in the normal course of administrative operation.
 - f. The method of selecting employees to be granted Sabbatical Leaves shall be as follows:

From among all those employees eligible for leave by virtue of their service, those individuals who have served longest in the Baltimore City Public Schools without receiving any sabbatical leave shall be given first consideration. The sum of individuals on leave in any one (1) year is not to exceed one percent (1%) of all Unit II members. This maximum quota of one percent (1%) shall be distributed throughout the educational staff so as to prevent any undue absence from any one (1) school, or from any single office or division of the school system. Sabbatical Leave shall be for a period of one (1) semester (five (5) calendar months), or two (2) semesters (ten (10) calendar months). Applications shall be forwarded to the Human Capital Officer so as to reach him by April 1st for leaves to begin on September 1st or by November 1st for leaves to begin on February 1st, in order that due consideration may be given to the request.
 - g. All employees to whom Sabbatical Leave is granted shall be required, as a condition of the granting of the leave, to agree to return to the service of the Baltimore City Public Schools for at least three (3) years following the expiration of their leave. As an option of this service requirement, any individuals may, if they so elect, return to the BCPSS the salary which they received during the period of the leave.
 - h. Each employee, upon return from Sabbatical Leave, shall make such a report of their activities during the period of leave as may be requested by the Chief Executive Officer.
2. Applicable to Employees Whose Positions Were in Unit I (BTU Teachers) on June 30, 2010:
- a. Employees who have served as full-time employees for a period of seven (7) or more consecutive years, including probationary or elected service, in BCPSS may be granted sabbatical leaves of absence. The first such leave may be granted after the

seventh (7th) consecutive year of active service, and additional leaves after each successive period of seven (7) years of active service. Accrued service shall not entitle any person to more than two (2) semesters of sabbatical leave in a period of eight (8) consecutive years.

- b. A study leave of one (1) year in length or a military leave of two (2) years in length shall not be construed as breaking the continuity of services, but neither is to be counted as part of the seven (7) years service requirement.
- c. A sabbatical leave shall be granted only to those persons who have been on active duty during the year immediately preceding the sabbatical leave year and who are on active duty at the time the leave is to be effective.
- d. For purposes of determining eligibility for sabbatical leave, active service shall be construed as service of such length and quality as to qualify for a full service salary increment for each year. Time spent on sabbatical leave shall count towards eligibility for further movement on the salary scale but shall not count as active service for purposes of determining eligibility for a subsequent sabbatical leave.
- e. Fully-degreed provisional teachers who subsequently are elected to tenure shall be permitted to count the two (2) years of provisional service to election as part of the period of seven (7) consecutive years of service.
- f. Sabbatical leave may be granted for the purpose of study and travel or for such other purposes as may be recommended by the CEO and approved by the Board. Employees on sabbatical leaves may not enter into gainful employment except upon the approval of the CEO.
- g. During the period of sabbatical leave, each staff member shall receive one-half (1/2) of his regular salary. In the cases of persons receiving salary differentials, an additional deduction of fifty percent (50%) of the salary differential shall be made for the period of the leave.
- h. During the period of sabbatical leave, each employee shall be entitled to all of the privileges and opportunities which he would enjoy if he were on active duty. Upon his return from leave, he shall have the same right of returning to the position he occupied prior to his leave which he would enjoy had he remained on active duty. He shall not be transferred in the normal course of administrative operation.
- i. The method of selecting staff members to be granted sabbatical leaves shall be as follows: In order to continue the services of the schools at a high level, the number of staff members to whom sabbatical leave is granted shall be determined at any time by the number of qualified substitutes who are available for replacement purposes. From among all those staff members eligible for leave by virtue of their service, those individuals who have served longest in BCPSS without receiving any sabbatical leave shall be given first consideration. The Board shall grant sabbatical leave to some qualified applicants. The sum of individuals on leave in any one (1) year is not to

exceed three percent (3%) of the unit. This maximum quota of three percent (3%) shall be distributed throughout the system so as to prevent any undue absence from any one (1) school, from any single department within a school, or from any single division of the school system.

- j. Any employee to whom sabbatical leave is granted shall be required, as a condition of the granting of the leave, to agree to return to BCPSS for at least one (1) year following the expiration of his leave. As an option to this service requirement, any individual may, if he so elects, return to the BCPSS the salary which he received during the period of leave.
- k. Application for sabbatical leave must be submitted to the Human Capital Officer no later than the close of the work day on December 15. Action by the Board shall be completed no later than June 1 of the school year.
- l. Notices shall be sent to all applicants of the Board's action on their request, and stated reasons for denial of an employee's request shall be provided in writing to the individual with a copy to the Union.

V. Benefit Continuation

During an unpaid leave of absence, the employee shall be carried on the payroll on inactive status and, at his discretion, may make arrangements with the Department of Finance to continue the group health benefits at the employee's expense. 3. In any case where an employee is required to work overtime or in an emergency capacity on the day immediately preceding an examination or in any case where an employee is required to work during the sixteen (16) hour period immediately preceding the

Except in cases of emergency, leave requests for amounts of time less than one (1) week are to be submitted at least one (1) full working day prior to the expected start of the leave. Every effort shall be made to respond to vacation requests within two (2) weeks of the initial request. While every effort shall be made to meet the desires of employees who request their periods of vacation leave, vacation schedules must conform to the requirements of operations and vacations must be taken as scheduled by the supervisor. Only those vacation days upon which the employee was ill will be eligible for conversion to sick leave.
- P. For employees covered by this Agreement who were employed by the City of Baltimore/BCPSS prior to the Baltimore City Board of School Commissioners assuming management authority of BCPSS on July 1, 1997, accrued vacation leave shall be retained by each employee pursuant to SB 795 (1997), Section 17.

- C. In the event that such action by the Union has not effected resumption of normal work practices, the Board shall have the right to discipline, by way of discharge or otherwise, any member of the Union who participates in such strike, slow-up, or stoppage, and no such disciplinary action shall be subject to the grievance procedure provided for in this Agreement.

ARTICLE XII

Personnel Practices

A. Assignment

Paraprofessionals assigned to work site locations within the Schools shall be assigned based upon an approved ratio or staffing model as determined by the Board of School Commissioners.

All bargaining unit employees and the Union shall be informed relative to employee assignments no later than August 15 of each school year. Upon request by the Union, information relative to employee assignments shall be given to the Union.

1. Personnel Folders

Official employee files shall be maintained in accordance with the following procedures:

- There shall be only one (1) official personnel file for any employee. This file shall be kept in the Office of Human Capital.
- No material related to an employee's conduct, service, or personality shall be placed in the file unless it is signed by the person submitting the information. The Employee shall be given the opportunity to acknowledge that he has read such material by affixing his signature on the actual copy to be filed, with the

understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its content. An employee's refusal to sign will be noted by the administrator and a witness.

- The employee shall have the right to answer any material filed, and his answer shall be attached to the file copy. Furthermore, the employee shall be given the right to review such disputed material pursuant to the grievance and arbitration procedure set forth in this Agreement.
- By appointment with the appropriate authorized person, the employee, his Union representative or other authorized representative, after proper identification, shall be permitted to examine his file. The employee shall indicate in writing, to be placed in his file, that he has examined the same.

- Upon written request by the employee to the Chief Human Capital Officer, disciplinary documents, other than documents concerning misconduct involving a child, shall be removed from the personnel files after one (1) year providing the behavior has not been repeated within one (1) year.

2. Transfers

a. Voluntary Transfers

There shall be a voluntary transfer process each year. It shall contain a period (window of mutual consent) of at least sixty (60) days which shall not end prior to May 1 and during which principals and worksite managers with vacancies and transfer-eligible employees seeking a transfer can mutually agree to a transfer for the upcoming school year. The Board will communicate through various tools, including the BTU website, the dates of the window of mutual consent. All PSRP unit members who have received a rating other than the lowest possible rating on their most recent performance evaluation shall be eligible for a voluntary transfer. Qualifying employees interested in a voluntary transfer will use the electronic process identified by the Human Capital Office to indicate that they are interested in transferring. The

Board will provide all principals and worksite managers access to an electronic list of all employees interested in transferring. Employees will have access to a list of all schools and worksites with vacant positions for the upcoming school year. Applications for voluntary transfers shall be accepted by the Human Capital Office up to seven (7) days before the closing of the window of mutual consent.

The Human Capital Office shall host at least one talent fair during the window of mutual consent to facilitate mutual consent between principals/worksite managers and transfer-eligible employees.

No voluntary transfer shall be denied because the employee's current position is locked in the school or worksite budget. Employees are eligible for voluntary transfer whether they are in positions for which the Hiring Manager is a Principal (i.e., unlocked positions) or positions for which the Hiring Manager is a District Office staff member (i.e., locked positions, including Pre-K program staff, certain Special Education program staff, ESOL program staff, and related service providers).

No voluntary transfer shall be denied for reasons that are arbitrary, capricious, unreasonable, or based on personal preference.

Subject to the provisions of paragraph (A)(3)(a)(2) of this Article (Reductions in Force), the Human Capital Office will identify a funded position for all surplus employees who are not placed using the voluntary transfer process. Such placement is contingent upon the employee having at least an effective evaluation rating for the current school year.

b. Involuntary Transfer Policy

Involuntary Transfers shall be made in such a way as to prevent undue disruption of the instructional program and school system operations. An employee may be transferred involuntarily in order to reduce experience imbalance and administratively by the Principal, the Executive Director of Elementary/Middle Schools or Executive Director of Secondary Schools or the Human Capital Officer to adjust curriculum and instructional deficiencies, or to improve school system operations. No employee will be transferred without just cause, or more than once during any school year. The employee may request a meeting with the administrator responsible for the transfer. This meeting, if requested, should take place within five (5) school days of the transfer notice.

3. Seniority

a. Applicable to Employees Whose Positions Were in Unit I (BTU Teachers), Unit II (Public School Administrators and Supervisors Association), Unit III (BTU Paraprofessionals) or Unaffiliated on June 30, 2010:

1. Seniority shall be defined as the length of continuous service that period of time from date of entry as an employee in the Baltimore City Public School System to the time of the proposed personnel action, minus periods of non-creditable service. Continuous service includes all time spent in the actual employment and on the payroll of the Board including all authorized paid leave time. Time spent

on any approved leave of absence without pay or on layoff status up to two (2) years from the date of the layoff shall not be considered a break in continuous service for the purpose of seniority status. However, the actual time spent on the approved leave or on layoff status shall not be counted in the employee's seniority. Non-creditable service may have been in result of previous layoffs in excess of two (2) years, disciplinary action or resignation.

2. Reduction in Force

- a. In any reduction of personnel necessitated as a result of budgetary actions, or declining enrollment, personnel shall be laid off solely on the basis of qualifications and on system-wide seniority counted from the most recent date of employment. The employee with the least amount of seniority shall be identified for layoff. Employees with valid certification to teach in the State of Maryland shall be considered for any vacant position in Unit I (Teachers) for which they are certified. A violation of this procedure only, may be the subject of a grievance. Decisions to layoff by the Board are not subject to the grievance procedure.
- b. At least fifteen (15) days prior to finalizing the reduction in staff, the Board will meet with the Union to explain and discuss the proposed reduction. The Board will provide the following information:
 - i. A seniority list of all employees.
 - ii. Statistics on attrition.
- c. The CEO and the Board of School Commissioners shall determine the areas in which recall is to take place and the number of persons to be recalled. Employees will be recalled first in reverse order of layoff. The right to recall shall expire two (2) years after the date of layoff.
- d. At the time an employee is notified that he is to be laid-off, the Board shall advise him of his recall rights. Employees shall be recalled in reverse order of layoff. At the employee's request the Board shall supply information which will help such employee to qualify himself in another area.
- e. The Board shall notify adjacent district(s) of the layoff and that affected employees are available for employment.
- f. The Board shall give each employee notice of recall either by certified or registered mail to the last known address supplied by the employee, and the employee must respond to such notice in some verifiable manner within fourteen (14) days after receipt thereof. If an employee fails to respond within the required time, the employee shall be deemed to have terminated his employment with the Board.
- g. Any employee who has been laid off in accordance with the layoff procedures and is recalled shall be resumed to his position or a vacant position with all the rights and benefits due him prior to his layoff. This shall include, but not be limited to, seniority status.

b. Applicable to Employees Whose Positions Were in Unit IV (City Union of Baltimore) on June 30, 2010:

1. The Board and BTU recognize the principle of seniority as a factor in promotion, lay-off, re-employment, transfer and other conditions of employment; and recognize the need of maintaining an efficient work force. The application of seniority under this Article shall prevail where the principle does not conflict with any provisions of applicable law. Seniority is understood to mean seniority within classifications/job titles or within positions for which the employee is qualified.
2. In determining seniority as a factor for promotion or transfer, the length of service in the particular division shall be considered rather than length of service in the bureau or department. All employees protected by this Agreement who were covered as civil service employees under the Charter of Baltimore City shall retain, through June 30, 1998, service credit, seniority, qualification for placement on the reemployment list, qualification for promotion or transfer, and eligibility for employment should the employee be displaced or laid off by the Board, said employees shall not suffer a break in service pursuant to SB 795, Section 15.

The parties agree that unit members identified for layoff shall be reassigned, where possible, to an existing vacant position; provided, that within management's sole discretion the employee is deemed qualified and able to perform the duties of the job.

On July 1, 1998, the Board shall recognize that each employee shall be protected by this Agreement with the seniority and service previously accumulated by each current employee who was employed on or before June 30, 1998 whether the seniority or service was accumulated as an employee of the Mayor and City of Baltimore or as an employee of the Board.

3. It is the intention of the parties that if the Board is compelled to lay-off permanent employees on a departmental basis, the sole criterion of inverse order of their original appointments to BCPSS or City service based on continuous years of employment shall be followed to the extent allowed by applicable law; provided, however, that nothing in this Paragraph C shall be deemed to authorize or require any administrative action which, if taken, would conflict with any provision of applicable law. Prior to such lay-offs, the Board shall meet with the Union. The Board shall terminate all temporary employees within the affected department, except as provided in , before the lay-off of permanent employees. The Office of Human Capital shall maintain, in accordance with its rules and regulations and by appropriate classifications, re-employment lists containing the names of employees laid off in accordance with the above provision.

Within the capability of the computer system, vacancy lists will be made available to BTU showing BTU positions. Lists shall be available every two (2) months or as soon thereafter as possible. Agency organizational lists, upon development, will also be made available to BTU.

4. Before an employee's effective lay-off is scheduled, he shall be entitled to convert to cash payment accumulated vacation or personal leave. In either event, sick leave for the then current sick leave year shall be converted to cash payment on a four (4) to one (1) basis as herein provided at the time of employment termination.
4. Whenever new programs are created, vacancies and positions will be advertised and posted on all appropriate bulletin boards and the Board's website.
5. Use of Substitute Teachers

A Paraprofessional will be asked to serve as a per diem substitute only by mutual agreement of the Principal and the employee provided that the Principal makes reasonable attempt to exhaust the substitute list. An employee will receive payment as a per diem substitute in accordance with the per diem substitute schedule. A Title I assigned Paraprofessional or one-on-one IEP Aide shall not be allowed to serve as a substitute, pursuant to federal regulation. In emergency situations when a Paraprofessional must substitute, the Paraprofessional shall be paid pursuant to the per diem substitute schedule. No Paraprofessional shall be given compensatory time for substituting.
6. Paraprofessional employees shall not assume the responsibilities for classroom management, instruction and the writing of lesson plans unless they are serving in a substitute teacher capacity as agreed to in this document. Paraprofessionals shall continue to maintain student logs and other similar records. Except in emergency situations and cases of Special Education annual IEP screenings, Paraprofessionals shall not be asked to conduct class for longer than one (1) hour.
7. Evaluations

All employees shall be evaluated annually, with a mid-year performance review. Until such time as the Board has fully implemented an online evaluation, every employee subject to this Agreement shall be given a hard copy of their annual evaluation which shall be signed and dated by the supervisor and the employee.

 - a. A committee shall be established comprised of six (6) persons, three (3) appointed by the Board and three (3) appointed by the Union, who shall meet during the 2017-2018 school year to conduct a review of PSRP classifications and movement from one job title to another.
8. Lunch Period - Paraprofessionals

Full-time Paraprofessional employees shall receive not less than a thirty (30) minute lunch period, except in schools with modular scheduling.
9. Parent Liaison Workers shall be assigned to one location at a time.
10. Every effort shall be made to assign Paraprofessionals to not more than two teachers each.
11. BCPSS shall make every effort to ensure that no Paraprofessional shall be transferred or laid off as a result of implementing new tutorial programs.

14. Every PSRP shall have access to a computer or a computer kiosk each day for school business purposes only.

15. Custody. The Board and the Union recognize that custody issues are a societal problem that, at times, manifests itself in schools, particularly when adults who are not listed in a child's records claim the right to take a child home from school. PSRPs shall not be required to release a child to any adult other than those listed in the most up to date student records unless written instructions are issued by a school administrator.

16. Student Discipline Committee. The Board and the Union agree that student discipline and a safe and secure environment for students and PSRPs is paramount. To this end, the Union shall appoint three (3) individuals from the PSRP bargaining unit to add to the Student Discipline Committee under the BTU Teacher Agreement with the Board.

ARTICLE XIII

The purpose of the Committee shall be to develop an in-service training component, improving the efficiency of operations and assisting Paraprofessionals in obtaining a Bachelor's degree in teaching. The Committee shall be responsible for the planning. The program shall be implemented immediately upon approval of the CEO. To achieve this program the sum of \$35,000 shall be provided for the implementation of the in-service program. In-service training on Saturdays shall be voluntary and Paraprofessionals and School Related Personnel who attend shall receive a stipend as provided by the Board of School Commissioners. The joint committee will be responsible for evaluating the in-service training program.

- C. If, after waiving coverage under any BCPSS Health Care Plan, the employee loses coverage due to the death of a spouse or other person who is a source of coverage, divorce or loss of employment or deletion of benefits (or such other qualifying event as determined by the Employee Benefits Division), the employee may enroll in a BCPSS Health Care Plan and consequently relinquish the waiver payment. The employee must notify the BCPSS Employee Benefits Division within 30 days after a qualifying event occurs in order to enroll in a BCPSS Health Care Plan. The employer shall apportion the payment should an employee either enter or leave a BCPSS Health Care Plan within a calendar year.

2. In the event an employee is on leave without pay for personal illness, the Board shall continue to pay its share of the cost of his Blue Cross/Blue Shield, PPN, Blue Cross/Blue Shield POS and HMO coverage for a period not to exceed ninety (90) days, provided the affected employee continues to assume his appropriate contribution for said coverage. The Union and the Board shall work out a means whereby employees shall have a reasonable opportunity to apply for and be granted additional approved days of sick leave from the Sick Leave Bank before being billed for the full amount of BC/BS PPN, Blue Cross/Blue Shield POS and HMO premiums.

C. The health insurance vendor shall be selected by the Board through the process of competitive bidding. The process of competitive bidding is based on updated RFP's reviewed by the Union. Any health care vendor selected through competitive bidding must provide "At least the same level and type of benefit coverage" as provided under the 2014-2017 Agreement.

A tripartite panel including a representative of the Board, a representative of BTU (PSRP), and a neutral third party that is acceptable to the Board and the Union shall within five (5) working days of the declaration of a dispute, schedule a hearing(s) on this matter. G. In the event either the state or federal government pass legislation mandating all employers to participate in a national or statewide health care plan, it is agreed to by the parties to this Agreement that the Board contributions for the employees' health care that were negotiated into the Agreement prior to the passage of such state or federal law, shall continue to be a part of this Agreement, but they shall upon the effective date mandating participation in such state or federal law, first be applied to the premium cost of such plan, with any remaining amounts to be used to purchase supplemental coverage for any items covered under the current health care plan.

All costs for the evidentiary hearing, including the hearing examiner's fee, shall be the responsibility of the Board.

If a grievance is filed, it shall be filed initially at Step 4 (School Board) of the Grievance Procedure in Article VII, Paragraph A of this Agreement, and it shall be processed by the Union through that grievance and arbitration procedure. The Union may advance the employee's grievance to arbitration if in its discretion the Union finds arbitration to be appropriate, and the employee shall be bound by the Union's decision whether or not to arbitrate.

4. The Board shall not drop or suspend health insurance coverage, or its contribution to the cost of such coverage, for any employee who is suspended without pay for thirty (30) days or less.

The Union will have the right to discuss with the Board the anticipated change provided it files such a request with the Board within ten (10) days after the receipt of said notice.

- A. The Board and BTU shall cooperate in the enforcement of safety rules. Should an employee feel that his work requires him to be in an unsafe or unhealthy situation, the matter shall be considered immediately by the Board. If the matter is not adjusted satisfactorily, it may become the subject of a grievance and shall be processed pursuant to the Grievance Procedure.
- B. The Board shall, where applicable, provide its employees with adequate safety equipment. The Board and BTU shall establish, where appropriate, joint committees to review safety standards, accident-related causes and safe place-to-work grievances. The Board shall establish first-aid stations at work areas designated by the Director of Safety. Moreover, the Board shall cooperate with the Red Cross to provide First Aid training courses to all interested employees at areas designated by the Director of Safety. Any employee required to work in

areas identified as, or suspected as containing asbestos, shall be provided OSHA approved training, and where necessary, personal protective equipment in advance of being required to enter such areas.

- C. The Board shall supply appropriate sanitary and health related supplies to each worksite including, but not limited to, rubber, latex, or nitrile gloves, disinfectant, and red biohazard plastic bags. The Board shall comply with all Health Department, local, state, federal, and universal health standards.

D. Video Display Terminal (VDT) Safety Rules

1. The Board and the Union recognize that the use of technologically advanced office equipment can increase the productivity and efficiency of BCPSS operations. To address issues of health and safety concerns which may be created by the use of video display terminals (VDTs), the Board agrees to provide the following for all employees whose primary job responsibility is to work on VDTs for six (6) or more hours per day:
 - a. Annual eye examinations to be provided by the Office of Occupational Medicine and Safety.
 - b. After one (1) hour of continuous work on a VDT, an employee shall be entitled to a rest break or rotation to other work activities not using a VDT, for a period of fifteen (15) minutes.
2. The Labor Management Committee shall establish a subcommittee with an equal number of Board and Union representatives to address other health and safety concerns associated with prolonged exposure to VDTs.

ARTICLE XX-D

The Board and the Union agree that it is beneficial for the efficient operation of the school system that surpluses of employees be kept to a minimum and that existing staff should be considered for vacant positions for which they are qualified.

- If there are any vacancies, schools first must offer open positions to current qualified BCPSS employees prior to making any offer to a non-BCPSS candidate.
- The Board shall provide the Union with monthly notice of all open positions in the bargaining unit, and the Board shall place notice of vacancies on the BCPSS intranet, school bulletin boards and the Office of Human Resources as positions become available.
- If there are any bargaining unit members who are in a surplus status, the Board shall, within 30 days of the execution of this Agreement, terminate all contracts with third

parties that provide services ordinarily assigned to or performed by bargaining unit members in surplus status provided that there is no penalty for terminating the specific contract prior to the end of its stated term. Bargaining unit members currently assigned to surplus positions shall be assigned, if qualified, to openings caused by the termination of third party contracts. If, during the term of this Agreement, there are any bargaining unit members who are in a surplus status, the Board shall not contract with third parties to provide services ordinarily assigned to or performed by qualified bargaining unit members who are available to perform the particular services.

- Any I.E.P. that requires services that are ordinarily performed by bargaining unit members shall be performed by bargaining unit members. This work may not be subcontracted unless there are no qualified bargaining unit members available to perform the service required under the I.E.P. No bargaining unit member shall be regularly assigned work that is ordinarily assigned to and performed by other employees or other bargaining unit members. For example, a paraprofessional shall not be assigned to perform the duties of a secretary.

ARTICLE XX-E

- A. Quarterly and upon request, the Board shall prepare a written report (the “Quarterly Report”) which shall be delivered by the Board to the Union within the first ten days of the month.
- B. The Board shall list in the Quarterly and requested Reports the number of all bargaining unit positions that are authorized within the annual operating budget of the Baltimore City Public School System, and the number of positions that are vacant or are not filled by permanent employees who are covered by this Agreement.
- C. The Board shall meet with the Union to discuss the Board’s efforts to fill those positions identified as vacant or unfilled. If the Union requests it, the Board shall attempt to identify every bargaining unit position that is vacant for more than sixty (60) days, within the month following that Monthly Report.
- D. Within forty-five (45) days before the first day of school in each school year, the Board shall deliver to Union a list of the types of bargaining unit work and of bargaining unit-type positions expected for each public charter school for the ensuing school year. The Board shall, upon demand by the Union, meet with the Union to bargain over the effects of such work and work assignments in the Public Charter Schools.
- E. The Board shall not unreasonably require any bargaining unit personnel to perform tasks that are not within the employee’s job descriptions, or for which they have not been adequately trained. The Board also shall not ask or require any bargaining unit personnel to be responsible for the work of any outside contractor.
- F. If the occupants of any bargaining unit positions have been required, as a matter of routine, to perform higher rated work, work for which they are not trained, or work that is not within

their job description, the Board shall upon demand of the Union commission a job classification study to reassess the value of their work. The Union and the Board shall negotiate the rate of compensation for any newly created classification.

ARTICLE XX-F

Technological Changes

The Board and BTU recognize that advances in technology lead to changes in the work environment. The Board and BTU also recognize that the retention of experienced employees is essential to efficient BCPSS operations. The Board and BTU will cooperate in providing transitional assistance to those employees affected by technological changes. The Board shall make every effort to find a position for which the affected employee is qualified within the BCPSS.

ARTICLE XX-G

Labor-Management Meetings

The Board and BTU agree to the establishment of Labor-Management meetings to discuss concerns of both parties, foster improved communication between the Board and members of the bargaining unit, and to convene meetings and/or create subcommittees to address the matters delegated to committees in Article XVIII, Section B.8, Article XX-D, and Article XX-H, Section B. The parties shall meet at least once a month, unless both parties agree to waive the meeting. The parties may agree to meet in the interim between regularly scheduled meetings. Labor-Management meetings are not negotiations and cannot add to, subtract from, or otherwise modify the terms of the collective bargaining agreement, nor shall grievances or appeals be discussed at these meetings. Labor-Management Committees shall be composed of no more than five (5) Union representatives and five (5) Management representatives. The Union representatives shall be granted paid release time to attend Labor-Management meetings.

At least five (5) working days prior to the agreed meeting date, each party shall provide the other with an agenda. This requirement may be waived by mutual agreement.

ARTICLE XX-H

Applicable to Employees Whose Positions Were in Unit IV (City Union of Baltimore) or Unaffiliated on June 30, 2010:

A. Pension and Related Benefits

1. In accordance with SB 795 (1997), Sections 19 and 20, employees covered by the Agreement shall continue as members of the Employees' Retirement System of Baltimore City or the Teachers Retirement System of Baltimore City or the Teachers' Pension System, whichever is applicable. It is recognized that the Board does not control

or serve in a fiduciary relationship on these plans. Nonetheless, the Board agrees to submit to BTU and all information that it receives from the retirement system.

2. During the term of this Agreement, the Board agrees to submit to BTU all proposed changes, modifications and/or amendments to the Retirement System that it receives from the Retirement system. No proposed changes, modifications and/or amendments to the Retirement System shall be submitted during the term of this Agreement without prior consultation with BTU.
3. Employee Pension Counseling Service - BTU shall submit the names of eight (8) representatives to the Human Capital Officer within sixty (60) days of the effective date of this Agreement. Within thirty (30) days thereafter, the Board shall begin to train the representatives in the counseling of employees so that they may assist employees in the selection of retirement plan and/or retirement allowance options. BTU representatives selected as counselors shall be granted time with pay from their positions in the classified service while engaged in training and orientation and during the periods spent counseling prospective retirees.
4. Transfer of Pension Funds: Employee Authorization and Release - In cases where the Employees' Retirement System transfers annuity and pension funds to either the State Retirement System or Teachers' Retirement System, the Board agrees to contact affected employees to notify them of executing an authorization and/or release for such transfer. Prior to and after the employee's annuity and pension funds have been transferred to either the State Retirement System or Teachers' Retirement System, the Employees' Retirement System shall provide each affected employee with a financial statement regarding his respective annuity and pension funds. Until this authorization and/or release is fully executed, the member shall remain in the Employees' Retirement System without loss of benefits.

B. Child Care Committee

The Board and BTU recognize that the issue of child care is a concern of unit members. The Labor Management Committee shall establish a subcommittee with an equal number of Board and Union representatives which shall explore the child care needs of unit members and study available alternatives. The subcommittee shall report its findings and recommendations to CEO.

- #### C. Death and Accidental Death and Dismemberment and Catastrophic Illness Benefits
- Death benefits shall be provided in the amount of \$20,000 or the employee's annual salary, whichever is greater. The death and dismemberment benefits for permanent part-time employees who work an average of 50% of a regularly scheduled work week shall be the greater amount of their annual salary or that percentage of \$20,000 which corresponds to the percentage of the work year of a full-time employee which is represented by that part-time employee's regularly scheduled annual hours. In all cases, the Board shall provide coverage at no less than was available to unit members on June 30, 2010.

D. Promotional Employment Opportunity and Job Transfer Lists

1. BTU shall receive notice prior to the expiration of Human Capital Office lists at the time such notice is sent to department heads.

2. All job announcements shall designate whether the job announced is competitive or non-competitive and such designation shall not be changed.
3. Examination and recruitment lists shall be publicly and conspicuously posted at the offices of the Office of Human Capital and at conspicuous locations in all other BCPSS buildings.

Article XX-I Secretaries, Office Assistants, and School Related Personnel

- A. Secretaries and Office Assistants shall not be required to obtain the services of a substitute in the event of absence.
- B. A committee composed of four (4) representatives from the Union and four (4) representatives from the Board shall meet to discuss the creation of a career pathway for Office Assistants, Secretaries, and all other bargaining unit school related personnel. The committee shall report to the Board and the Union by no later than August 15, 2018 with recommendations for the creation of promotional process and professional development opportunities to be implemented by the Board by no later than the start of school year 2019-2020.

ARTICLE XX-J Opportunity Culture

Bargaining unit members assigned to the position of Opportunity Culture Reach Associate shall have their base salary increased by Two Thousand Five Hundred Dollars (\$2,500) per school year for each year they are so assigned. This increase in pay will be to the base salary of the employee and shall be reported to the Maryland State Retirement System or Baltimore City retirement or pension system, as applicable, as the regular annual earnings of the employee.

ARTICLE XXI

Enterprise Schools

A. Enterprise Schools

The Board will honor Article XXI (Enterprise Schools). By definition, Enterprise Schools are individual schools that have been granted authority to make decisions concerning their administrative and educational operations. This authority is derived from the Board of School Commissioners and the CEO. These decisions are to be made in accordance with Labor Agreements.

B. School Oversight Committee

1. School improvement planning is a continuous process which provides direction and parameters for school operations. More important, school improvement planning is a process that allows key stakeholders the opportunity to collaborate on the mission, philosophy, goals, and strategies for improved management, teaching, and learning at the school site.
2. To fully exercise the instructional and management decision-making authority inherent in the current school improvement process, each school must involve a School Oversight Committee in the development and implementation of the school improvement plan. Each committee must have core membership which shall include at least two employees from the Paraprofessional and School Related bargaining unit, one of which will be the Building Representative.
3. Paraprofessional and School Related Personnel who serve in the school improvement process shall be given an opportunity to interact and collaborate without fear of reprisals.
4. No paraprofessionals or school related personnel shall be transferred solely on the basis of their involvement in the School Oversight Committee process.

C.

1. School Oversight Committees shall choose from the approved system-wide menu those activities which they determine best meet the needs of both students and teachers at each school. The Executive Director of Partnerships, Communications and Community Engagement shall ensure that the School Oversight Committees are properly constituted and are functioning appropriately. Each School Oversight Committee's recommendation of Professional Development Activities must be reduced to writing and submitted simultaneously to both the principal and the Executive Director by September 15. Included in the School Oversight Committee's report shall be its recommendation about when Professional Development activities would occur, guided by the instructional needs of the students. Options include: before the school day begins, after the school day ends, or on weekends. If the School Oversight Committees recommendation on any of these matters is rejected or modified, the principal and the Executive Director shall jointly provide the reasons, in writing, to the School Oversight Committee.
2. At the end of each semester, each School Oversight Committee must provide a report to the principal and to the Executive Director stating when and how each Professional Development activity was implemented.

ARTICLE XXII

Employee Assistance Program

The Board shall maintain an Employee Assistance Program. It shall be the policy of the Program to assist, in a strictly confidential manner, employees who seek assistance for alcoholism, drug abuse, family problems, psychological or other medical problems. This policy recognizes that these are treatable conditions and it is the employee's responsibility to seek professional assistance for them. Employees with such problems are encouraged to contact the Employee Assistance Program by telephone or personal visit. Any contact with the Employee Assistance Counselor will be strictly confidential. The Employee Assistance Program shall make an evaluation of the employee's problem and recommend remedies, which may include referral to an appropriate treatment agency. It is the employee's responsibility to follow the recommendations of the Employee Assistance Counselor.

ARTICLE XXIII

HIV Policy

The Board will follow policy guidelines for management of children with AIDS and/or HIV and HIV-related illnesses. The Union shall be notified of any change on these guidelines.

ARTICLE XXIV

Termination, Change or Amendment

This Agreement shall become effective on July 1, 2020 and remain in full force and effect until June 30, 2022 unless otherwise stated herein. It shall automatically be renewed from year to year thereafter, unless either party shall give to the other party written notice of a desire to terminate, modify or amend this Agreement. Such notice shall be given to the other party in writing by registered mail no later than January 1 of the year involved.

ARTICLE XXV

Printing of Agreement

The Union shall make arrangements for the printing of this Agreement, the cost of which the Board agrees to share with the Union. The Agreement shall be printed in a timely manner, within thirty (30) to forty-five (45) days of execution of the Agreement.

IN WITNESS WHEREOF, the Parties hereby have caused these presents to be signed and sealed the ____ day _____ of 2020 in Baltimore, Maryland.
