

Arts & Creativity Camp for Transgender & Gender Diverse Youth

Be You! is a summer Arts & Creativity camps for transgender and gender diverse youth in the Baltimore and Columbia areas. This camp is offered tuition-free by Single Carrot Theatre in partnership with Chase Brexton Health Care.

In these two-week camps, students delve into the world of storytelling and meaning-making as they develop their own artistic voices and collaborative skills. Participants explore a variety of creative explorations and ensemble activities, including theatrical performance, creative writing, and film techniques. Each camp session concludes with a celebratory sharing of students' amazing and imaginative creations.

SCT is thrilled to offer all camps tuition-free! Each program is led by a team of experienced teaching artists from the LGBTQ community. Camp sessions run for two weeks in July and August 2022 and are open to transgender and gender diverse students ages 6-18.
